OSHER
LIFELONG
LEARNING
INSTITUTE

Welcome to OLLI!

Established in 2004 at the University of Richmond School of Continuing Studies, the Osher Lifelong Learning Institute operates through the support of its members, the University of Richmond, and through an endowment from the Bernard Osher Foundation of San Francisco. We offer intellectual stimulation and civic engagement in a community of lifelong learners, age 50 and better.

Rediscover your love of learning. And do it all on the beautiful University of Richmond campus. We offer an extensive array of courses in the liberal arts in the fall, spring and summer semesters. The offerings are a combination of undergraduate credit courses for audit, special interest mini-courses, free lectures, community service projects, and more. There are no entrance requirements, no tests and no grades. In fact, no college background is needed at all—it's your love of learning that counts.

If you're 50 or better with a curious mind and a keen interest in learning, we'd love for you to join us.
