Spend eight weeks working in Australia, one of the largest countries in the Pacific Rim and a world leader in business, science, and communications. Placements are available in Brisbane and Sydney in virtually all major fields, including business, communications, politics, the arts, the sciences, and social services. Custom designed internships are based on the student's interests and educational experience. The program is open to students in all years, including those who have just graduated.

What's Included

- UR credit (only by arrangement with UR faculty)
- Housing in either a homestay or shared apartments without meals
- Internship placement and supervision
- In-country orientation in Cairns with excursion to Great Barrier Reef
- Orientation excursion to Great Barrier Reef
- In-country support services for personal, social, legal and work-related matters
- Health insurance
- Cell phone

What's Not Included

- Airfare to Australia and between Cairns and the internship site
- Local transportation
- Personal expenses
- Meals
- Housing deposits
- Visa application costs
- \$400 refundable application deposit

All dates and costs are approximate and subject to change as are program details. The University of Richmond reserves the right to alter the program costs as a result of fluctuations of international currency.
