## PERSONAL STATEMENT

Complete a personal statement describing yourself in 500 words. Share details about your academic/career goals, math and science interests, and why you are applying to serve as a 2017 MSI Student Research Mentor.

---

## SUPPORTING DOCUMENTATION

In order to complete your application packet, the following items are **required** to be submitted in for review:

-**Abstract:** One paragraph maximum, summarizing the proposed research in language suitable for dissemination to the public.

- **Research proposal:** Two pages maximum containing the following content: (1) specific aims; (2) defined and testable hypothesis that is appropriate for the type of research; (3) background and significance; (4) well-designed research methods; (5) explanation of your approach to integrate two high school students to support your research efforts.

- **A completed Faculty Mentor Recommendation Form.**

---

By checking this box, I certify that the information provided is accurate.
